

Healthy Children. Its Our Mission

Every perfect gift is from above...
—James 1:17

Dr. Aponte and his staff reach out to the community with love and caring everyday. That's why they wanted to be a HUB for PersonhoodFL. Go there for all your pediatric needs and to pick up more PersonhoodFL petitions! Drop off the ones that you have gotten signatures for and they will turn them in.

To protect all human life by love and by law, contact us at PersonhoodFL.com.
