**Calling all High School Students: Be Guardians of LIFE, Liberty and the Pursuit of Happiness**

March 3, 2012 10:30 am at

**The Coastal Florida Curriculum Fair**

Central Assembly of God, 6767 20th Street

Vero beach, Florida 32966

- Learn the Constitutional Amendment Process by being a part of this Historic Event.
- Hear From Juli Iles, a second generation home educator:

**We need you to “Take Your County”**

We have a proven method for canvassing your county and will train you to do so. Get involved where it will make the most difference in our future! Be a Leader! Change the Fate of Your State.

- We’ll begin with an overview of the history of the Liberty documents
- Share how the founders had plans to set the slaves free, & parallel the slavery issue to abortion
- Explain the personhood issue of Dred Scott and how it was never "overturned" but amended and
- Why this Constitutional process is far superior to "overturning" Roe v Wade
- Illustrate how you can get involved through data entry, phone calls, petitioning and media marketing

Instead of the normally dry, dull class we expect American Government to be, comments on the workshop include:

*“...it was really interesting! Before your class I had never liked History! Now I really enjoy History and applying it to the present times.”* - Sierra Casteel

*“...I liked this one too. It was a lot of work, but it was still really interesting, and I learned a lot of things.”* – Kayla Thomas

*“..loved doing the activity...”* – Jaspen Mosley

**“We, the people** of the State of Florida, being grateful to Almighty God for our constitutional liberty, in order to secure its benefits,  
.... do ordain and establish this constitution....

**All natural persons, female and male alike,  
are equal before the law and have inalienable rights, among which are the right  
to enjoy and defend life and liberty, to pursue happiness...”**
