

This is what we will be doing in Fort Pierce on the IRSC campus on October 23-24th. Dan Becker, the president of Georgia Right to Life will be coming to train us. The first day will be training for the pro-life students with time to role play and practice. The second day will be an outreach to the campus students by the students that have been trained.

IRSC, Fort Pierce Campus:

Training Tues 10/ 23 9-2pm in V110

Outreach- Wed 10/24 9-2pm under the Pavilion

What Is Personhood?

In the United States, the term 'Person' refers to an individual who has certain inherent rights, such as the right to life, liberty and the pursuit of happiness.

These rights are protected by the U.S. Constitution and are bestowed by God.

The intrinsic humanity of unborn children, by definition, means they are persons and their right to life should therefore be protected under the law. For almost forty years, however, this has not been the case.

Now is the time... Will you be a Voice?
